Dear Ms Murray

Nomination for listing on the State Heritage Register

Item: Kurrumbede Homestead Complex
Address: 1693 Blue Vale Road, Gunnedah NSW 2380

Thank you for your nomination to list the above item on the State Heritage Register under the *Heritage Act 1977* (NSW).

The Heritage Council's State Heritage Register Committee gave preliminary consideration to the nomination at its 1 May 2019 meeting. With awareness of the existing State Significant Development approval and the second application now under assessment, the committee resolved that the complex is likely to be of state heritage significance. As such, the Heritage Council seeks to pursue the nomination.

The Heritage Division of the Office of Environment and Heritage (OEH) will now assess the significant values of the complex further and will commence consultation with the key stakeholders. In accordance with the *Heritage Act 1977* (NSW), we will provide updates to you throughout the statutory listings process.

For further information and advice, please contact Alexandra Simpson, Senior Heritage Operations Officer, North East region at the Heritage Division, OEH on 0457 842 734 or alexandra.simpson@environment.nsw.gov.au.

Yours sincerely
