Apart from the 5 representations attached and provided to Boggabri Coal, the Department has not received any further confirmation from people who made representations agreeing to provide information in accordance with the Department's Privacy Policy.

As outlined in the Department's letter of 18/12/18 if you have any further questions or would like a briefing on the modification request please contact me to arrange a time.

I note that Boggabri Coal has requested to expedite the determination of the modification now it has provided its additional response and the Department is happy to provide a briefing as soon as this can be arranged.
