To whom it may concern,

Muswellbrook Preschool have been an active member of the local community for more than 54 years and enjoy all local partnerships we have established over this time.

We would like to offer a letter of support for the Dartbrook Coal application to extend their current underground licence. The Preschool has been successful in gaining community grants from Dartbrook Coal and it is with these community engagement strategies that not for profit organisations like the Preschool, have the opportunity to run amazing programs, build resources, fund projects and provide extra curricula activities to the children and families of our community. We currently have over 200 children per week attend our Preschool and the benefits of the local mining community see our enrolments stay strong. We would be happy to answer any questions or provide any more information if required.

Kind regards

Kelly Constable
