I HAVE A VERY REAL CONCERN THAT WHAT GROUND WATER that we do have WILL DISAPPEAR when mining starts & when it does go open cut there is the matter of NOISE, LIGHT & Dust Pollution.

The real farming lifestyle that we currently enjoy will be gone for ~~MANY~~ YEARS TO COME ☹️☹️

Need extra space? You can also attached further pages of your own. Don't forget to fill out the top of this form.

REALLY HOW MANY MINES DO WE ^{really} need.
