Subject: Narrawallee residential sub-division development MOD3 (MP06_0276 MOD3)
Date: Monday, 1 April 2019 5:18:19 PM

Dear Sir/Madam

Unfortunately due to our work commitments we are unable to attend either the meeting tonight at the Ulladulla Civic Centre or the one tomorrow Tues 2/4/19 at the same venue.

We do wish however to have our strong objection to development of any allotted bushland space into residential/additional home sites noted to the IPC. We sincerely believe that the preservation of bushland is essential not only to the health and well-being of residents but also to the fauna, flora and waterways all of which add to the natural beauty and environment of our local area which likewise attracts tourism and economic growth.

Please therefore note our strong objection to any development of this nature.

Thank you for the opportunity to let our opinion be noted.

Kind regards

Chris and Lindy Myers
