### *Please Note:*

*Only those who have pre-registered with the Commission Secretariat will be permitted to speak at today’s meeting. The Chair will enforce the speaking times that were nominated, in this instance, by each speaker. However, the Chair also reserves the right to allow speakers additional time to clarify information and/or provide further technical material. The Commission already has copies of all written comments made to the Department of Planning and Environment in response to the public exhibition of the proposal, so restating these views is unnecessary. The purpose of this meeting is for the Commission to hear views on the Department’s assessment report.*

*The assessment report and recommended conditions are available on the IPCN website: [www.ipcn.nsw.gov.au](http://www.ipcn.nsw.gov.au). If you have registered to speak but your name is not on the list, or if you have any other questions, please call (02) 9383 2100 or email [ipcn@ipcn.nsw.gov.au](mailto:ipcn@ipcn.nsw.gov.au).*

*Those registered to speak are requested to familiarise themselves with the Commission’s Public Meeting Guidelines prior to presenting to the panel.*
