Subject: Rixs Creek South Continuation of Mining Project SSD 6300

As a current employee of the Bloomfield Group I wish to provide my support for the Rixs Creek South Continuation of Mining Project SSD 6300. After receiving approval on Friday 4 October 2019 it ensured continued employment for myself and my fellow employees. The IPC has since retracted the approval of the project and extended the deadline for comments. This has resulted in uncertainty for our continued employment with the Bloomfield Group. The IPC should approve the Rixs Creek South Continuation of Mining Project SSD 6300.
