Dear Commissioners,

I would like to again express my support for approval of the above mentioned project, in light of the additional information and extended deadline.

I agree with the previous recommendations from the Department of Planning, Industry and Environment, that the project "is in the public interest and is approvable, subject to strict conditions".

I believe that this project provides significant socioeconomic benefit and that the Bloomfield Group are committed to best practice environmental management. I look forward to the approval of the Project and being able to support the Bloomfield Group in Continuous Improvements of its operations, and to the industry as a whole.

Regards,

**WE CARE. WE DELIVER.**

**Steven Vickers**
