To who it may concern

I am writing in regard to the proposed extensions to the junior Aloysius school .

I have lived in [REDACTED] st Kirribilli, backing onto Bligh st for 22years.

I am really concerned with the proposed plans . I believe Clive Austin one my neighbour s has clarified many of my concerns , including Dust ,noise ,vibration, and difficulty getting in and out of our garages in Bligh st. Also a traffic plan should be Submitted. As far as a grandstand , is over the top , as the ugly one that is there , blocks the view of the trees and nth Sydney lights . Parents never sit there , they prefer to stand on sideline on other side .

This is not Riverview

Regards lyn Brentnall
