Subject: Star Casino Redevelopment MOD 13
Date: Thursday, 22 August 2019 12:00:33 PM

I am a resident of Sydney Wharf. This email is to reiterate my strong support for the Ritz Carlton development application. I have monitored this development from the beginning and am in doubt that a world-class hotel would significantly improve my local neighbourhood. I am very concerned that the IPC maybe under the misapprehension that the majority of residents are opposed to this development.
