Dear Mr Taylor

**Qantas Flight Training Centre (SSD-10154)
297 King Street, Mascot**

The Department of Planning, Industry and Environment (the **Department**) have completed its assessment of the abovementioned application and on 14 November 2019 referred it to the Independent Planning Commission (the **Commission**) for determination because of a reportable political donation declaration.

The Department's assessment report stated that Council "*did not object to the proposal but raised a number of matters to be resolved prior to determination of the application*" (page 18).

To assist its determination, the Commission would be grateful if the Council could review the Department's assessment report and recommended conditions (available on the Department's and the Commission's websites) and advise the Commission whether all of the matters raised by Council have been resolved, and if there are any other matters the Council would like the Commission to consider. It would be greatly appreciated if a written response could be provided by **Wednesday, 27 November 2019**.

If you have any questions, please contact Casey Joshua, Senior Planning Officer, on [REDACTED] or at casey.joshua@ipcn.nsw.gov.au.

Yours sincerely
