Dear Professor O'Kane

**Determination of a Modification Application
Caltex Kurnell Refinery Conversion (SSD-5544-MOD-6)**

Please find enclosed the Department's assessment report and recommended instrument of modification for the Caltex Kurnell Refinery Conversion (SSD-5544).

The modification application is required to be determined by the Independent Planning Commission (the Commission) due to reportable political donations having been made by the Applicant.

Should the Commission have any further enquiries about this matter, I have arranged for Chris Ritchie, Director, Industry Assessments, to assist. Mr Ritchie can be contacted on (02) 9274 6413.

Yours sincerely

Marcus Ray
