To Vickery IPC Panel Members,

My name is Graham Bell and I have lived in Boggabri for 10 years. I have a business in Boggabri and I am a member of the Boggabri Business Chamber.

I support all industries in my community and fully support mining in our region. The mining industry has been able to employ a large number of local residents which has helped our community out in tough times.

I am in full support of the Vickery Project being approved.

Yours faithfully
