Subject: Bonshaw Solar Farm (SSD 9438)

Dear Ms Brewer,

I am writing in regards to Bonshaw Solar Farm (SSD 9438), which is currently before the Commission for determination.

Following review of the submission documents and the Department's assessment report, the Commission has not found reference to land-owners consent for the application (other than from Crown Lands and TransGrid). Could the Department please confirm by reply to this email, whether any record of landowners consent is available?

Kind Regards,

Lindsey Blecher
