Dear Bradley,

Thanks for your letter. I confirm, in accordance with your letter, that:

- the purpose of the Bushfire Traffic Management Plan and the Bushfire Emergency/Evacuation Management Plan is to inform an appropriate fire and emergency response at the Mundamia Residential Subdivision site for both residents and emergency services. However, the implementation, ongoing review and update of these plans is not the responsibility of the Rural Fire Service or other relevant emergency services; and
- Consequently, under these circumstances it is inappropriate to assign responsibility for the implementation, ongoing review and update of these plans via a Condition of consent or otherwise.

Apologies that we didn't make this clear and I am happy to assist with any further questions.

Cheers,

Keiran
