

PUBLIC SUBMISSIONS ON SYDNEY GRAMMAR SCHOOL – WEIGALL SPORTS COMPLEX

14 October 2021

The Independent Planning Commission has received the Department of Planning, Industry & Environment's whole-of-government assessment report for the proposed Weigall Sports Complex at Sydney Grammar School.

Under state planning laws, the Commission is the consent authority for this state significant development application (SSD 10421) because the Department received more than 50 'unique' public objections to the Environmental Impact Statement during exhibition.

Commissioners Peter Duncan AM and Professor Richard Mackay AM have been appointed to determine this SSD application. As part of their decision-making process, they're keen to hear from interested individuals and/or groups.

Commissioners Duncan and Mackay have access to all submissions made to the Department as part of its assessment process; however, if you have any new information – or have any comments about the Department's assessment report or proposed conditions of consent – you're encouraged to make a further submission in writing to the Commission.

Submissions can be made using our online portal – www.ipcn.nsw.gov.au/have-your-say -- or via:

EMAIL: ipcn@ipcn.nsw.gov.au

POST: Independent Planning Commission NSW
Suite 15.02, Level 15, 135 King Street
SYDNEY NSW 2000

The deadline for submission has been extended. These must now be received no later than 5pm AEDT on Thursday 28 October 2021.

The Department's assessment report and proposed conditions of consent can be found on our website: <https://www.ipcn.nsw.gov.au/projects/2021/10/weigall-sports-complex-sydney-grammar-school>

At the time of determination, the Commission will publish a Statement of Reasons for Decision which will set out how the community's view were taken into consideration.
