

Airly Mine Modification 5 (SSD-5581-Mod-5)

19 December 2023

On Monday 18 December 2023, the Independent Planning Commission (Commission) received updated advice for the Airly Mine Modification 5 (SSD-5581-Mod-5) project. The advice, received from Centennial Airly (Applicant) replaces a previous version received on 14 December 2023.

The updated advice has been uploaded to the Commission's website and will be considered by the Commission Panel as part of its determination process.
