Subject: [Bowmans Creek Wind IPCN Submiss on Object on](mailto:IPCJ_Submiss.ons.Mailbox)  
Date: Thursday, 21 December 2023 4:57:22 PM

Dear IPCN,  
Please add my photos & video to my Objection. Thank you.  
I absolutely Object to Bowmans Creek Wind for the following reasons

## **If addressing Climate Change is about a Liveable Climate - protecting Human Health & Well-being - why are we wasting our time considering such inferior, unreliable, weather dependent, unaffordable Wind/Solar Generation such as Ark Energy's Bowmans Creek Wind Electricity Generating Works with a hopeless Capacity Factor - designed to DEPRIVE US OF COOLING/HEATING POWER?**

All of the Aims & Objectives of the NSW Government's numerous Climate Change Targets, Bills & Strategies are defied by this plan!

**Key issues identified in the Department's whole-of-government assessment of Ark Energy's application include Energy Security, Biodiversity, Noise & have intentionally Neglected to include Public Health & Safety.**

NSW Electricity Infrastructure Roadmap has been summed up by the most credible Experts as Shambling Policy Making, Dangerous to Grid Operation & Totally Mad!

With AEMO's 2022 ISP Electricity Grid Design also shredded by

Reputable Experts stating it

"CANNOT PROVIDE AUSTRALIANS WITH RELIABLE POWER.....&

NO RESPONSIBLE POWER SYSTEMS ENGINEER WOULD PROCEED WITH SUCH A NON-VIABLE PLAN.....

Furthermore, the implications for the economy and for national security by relying on China, which dominates the market for wind and solar equipment and materials, is extremely negative.

## **Instead of Energy Security - these CCP reliant Wind/Solar plans are Enabling Beijing to Turn Our Lights Off!**

4th Dec 2023 - Renew Economy

"In July, Transgrid struck a deal with China s ZTT International for the delivery of more than 17,500 kilometres of high-voltage conductors to get ahead on HumeLink and VNI West."

## **Australia's Future Fund is Exposed to Chinese Companies- a Very Risky Business!**

**There is unethical reliance on Modern Slavery.**

**The NSW DP/IE/DPE is carelessly & irresponsibly inflicting Moral Hazard - through their Risky Experiments on Rural Councils & Ratepayers - when they know they are not substantiated by Scientific Rigour, Engineering Facts, Integrity or Ethics.**

**MY FAMILY & I DO NOT CONSENT TO ARK ENERGY'S RISKY BOWMANS CREEK PLANS & DETRIMENTAL IMPACTS - AS SUPPORTED BY THE DODGY DPE.**

### **Photo 1**

**ECOCIDAL Industrialisation of Rural NSW/Australia IS NOT FOR THE GREATER GOOD!**

### **Photo 2-9 (8 photos)**

Wind Electricity Generating Works are NOT Clean, Green or Sustainable - they are **ENVIRONMENTAL VANDALISM** - Irresponsible, Non-Sensical, Irreversible Mass Destruction of Nature!

The first series of photos are of Rye Park Wind Construction - Yass Valley at various stages showing

Extensive Clearing & Denuding of the Landscape, Invasive Road Works, Unmitigatable Water/Sediment Run-Off & Erosion Damage, Introduction of Invasive, Contaminating Feral Species that will NEVER be removed from Ark s

Bowman Creek site if built - including the massive, energy intensive, cement bases of Wind Turbines left to spoil this land forever.

Probably the whole lot of the 56 degrading Turbine monstrosities will be left for the foolish Hosts to deal with as this Fake Green Nightmare implodes!

### **Photos 6-9**

The Scale of Wind Turbine Environmental Vandalism is ENORMOUS & IRREVERSIBLY CATASTROPHIC!

**Far Superior Australian NUCLEAR Power has a Minimal Environmental Impact** - requiring only 1/360th of the Land Mass that Inferior, Energy Depriving Wind Turbine Junk needs for Ark Energy s Reckless Bowman Creek plan.

Note the "tiny" car on site -

In the photo of the site for a sub station - you can get an idea of the immense scale of ruination - you can see a little silver dot down at the treeline along the road.

That s a car!

### **Photo 10**

You are able to see the Steep Gradient of the site which Obviously = Water/Sediment Run-Off & Erosion - which = Contamination of our Life Sustaining Local Creeks & Rivers.

### **Photos 11-16** - (Bomen Water Run-Off/Erosion Damage.)

The Fake Green RenewaBULL Wind/Solar, Energy Poverty Grift & Ponzi Scheme/Scam is 'Creating an Environmentally Destructive Nuisance throughout NSW & Australia - an Unmitigated, Unsustainable Disaster - Contaminating our

precious land - our soil heritage & pristine water sources that we are custodians for to ensure Intergenerational Equity for future generations.

Trashing this with Fake Green Renewables has cost a typically destructive Developer \$5 Million in damages to neighbouring property in Georgia.

There is Looming Litigation Targeting the Foolish Host of RenewaBULL Energy Environmental Destruction at Bomen, Wagga Wagga also - shown in these 6 photos.

This is just the beginning - just wait til the Toxic Contamination Law Suits come rolling in! We ll definitely be joining that action!

This typically irresponsible, dodgy behaviour Defies all of the Principles of Ecological Sustainable Development & 'Clean, Green Sustainable' Energy as falsely claimed by NSW DPE & Ark Energy s Aims & Objectives by Cursing

Australia with ECOCIDAL Environmental Destruction!

It s all about the Fake Green Subsidy for Ark Energy & co.

Plundering the Environment & torturing Rural Communities is their specialty & we are CRUELLY & UNJUSTLY FORCED TO PAY FOR IT!

### **Photos 17-20 (Actually 6 photos)**

**WHILST THE TOTALLY ILLOGICAL, FAKE GREEN PROPAGANDA IS RAMPANT IN AUSTRALIA WITH CARPETBAGGERS TRAWLING AROUND DECEITFULLY SELLING THEIR SELF BENEFITING, ENERGY DEPRIVING RENEWABULL WARES - LIKE ARK'S STONE AGE, WEATHER DEPENDENT, PATHETIC POWER, WIND TURBINE JUNK .... OTHER COUNTRIES HAVE WOKEN UP TO THEIR RUINABLE REALITY - RETURNING TO RELIABLE, SECURE, INDEPENDENT ENERGY SENSE.**

### **COP 28 has turned into a really big fossil fuel trade show!**

*"What was supposed to be a big deal climate treaty negotiation has morphed into an enormous trade fair. Even funnier the focus is on fossil fuel production which the UN treaty is supposed to curb.*

<https://www.cfact.org/2023/12/07/cop-28-is-a-really-big-fossil-fuel-trade-show/>

**EVERY LOGICAL, HONEST PERSON IN NSW/AUSTRALIA WITH THEIR EYES OPEN - IS NOW LOOKING AT THEIR ELECTRICITY BILL & THE RECKLESS ENVIRONMENTAL VANDALISM BEING CAUSED BY THE RENEWABULL CURSE - SERIOUSLY ASKING - WHAT TRANSITION?**

1- Global Coal Generation is Soaring in Asia

2- India & China are Burning Record Amounts of Coal!

Last week Reuters reported India plans to add 17 Gigawatts of New Coal Fired Capacity over the next 16 months!

3- Yeah sure Solar is Cheaper - Blah, Blah, Blah....

4- Unsurprisingly, as people wake up to the Fake Green Swindle - the Renewable Rejection Database is escalating in America

5, 6 - US Oil & Natural Gas Production is Setting New Records!

### **Photos 21**

The NSW & Federal Government s Self Inflicted Skyrocketing RenewaBULL Energy Prices = Cost of Living Crisis = Unaffordable Basic Food Staples = Cruel Torture of the People = Suffering, Unnecessary Hardship & Potential Death!

**THIS IS NOT RELIABLE, SECURE, LOWER PRICES OR AFFORDABLE POWER!**

### **Photo 22-30**

**LARK ENERGY'S BOWMANS CREEK WIND PLAN IS A RECKLESS, IRRESPONSIBLE PUBLIC HEALTH & SAFETY HAZARD - A TICKING TIME BOMB!**

**2.It's not only Koala's & Birds that are being slaughtered, AUSTRALIAN PEOPLE & CHILDREN ARE BEING TORTURED & MISTREATED BY WIND TURBINE DEVELOPERS, HOSTS, NSW & FEDERAL GOVERNMENTS - WITH CHILDREN UNABLE TO SLEEP DUE TO OBNOXIOUS, NEIGHBOURING WIND TURBINE NOISE - FORCING THEM TO WEAR EARMUFFS TO BED!!**

**WHAT ABOUT THE LITTLE BABIES & WHAT ABOUT INFRASOUND MAKING PEOPLE SICK?**

**THIS DEFILES INTERGENERATIONAL EQUITY!!**

**3.EMF/EMR FROM WIND ELECTRICITY GENERATING WORKS IS A PUBLIC HEALTH & SAFETY RISK!**

**19 CHILDREN DIED FROM CHILDHOOD LEUKAEMIA IN CESANO ROMEO - LINKED TO THE VATICAN RADIO MAST - 2 PEOPLE WERE CONSEQUENTLY JAILED!**

**4. WIND TURBINES ARE AN UNPLANNED FOR CATASTROPHIC TOXIC INFERNO FIRE/SMOKE HAZARD RISK!**

**Ark Energy & NSW DPE say they're Saving us from Climate Change by irresponsibly espousingly SETTING US ON FIRE!!**

**IS THE MOST RESPONSIBLE IF PEOPLE SUFFER CARCINOGENIC IMPACTS/DIE BECAUSE OF THIS?**

**NSW FIRE & RESCUE ADMIT THEY HAVE NO IDEA HOW TO DEAL WITH WIND, SOLAR, LITHIUM BATTERY & GRAPHITE BLOCK EXPERIMENTS THAT NSW POLICY MAKERS & APPROVING**

**BODIES ARE UNJUSTLY FORCING ON US AGAINST OUR WILL, WITHOUT OUR CONSENT.**

**NSW Fire & Rescue SARET Research:-**

**"There is a general lack of guidance and provisions in building codes, standards, and legislation in relation to safety to address the potential risks from these emerging technologies. Part of the problem is that we do not yet**

**know enough about their probability of failure, their mechanisms of failure and potential consequences of failure."**

5. WIND TURBINES ARE A FAKE GREEN SCOURGE - SHEDDING TONNES OF MICROPLASTICS FROM WIND TURBINE BLADES (KNOWN AS 'LEADING EDGE EROSION') - AFTER ONLY A FEW YEARS OF OPERATION.  
THAT'S THEIR HABIT OF CONSTANTLY SHEDDING TOXIC BISPHENOL A (LETHAL TO YOUNG CHILDREN - AS TOXIC AS BLUE ASBESTOS) FAR & WIDE!  
These toxic Endocrine Disruptors also cause INFERTILITY!

6. RENEWABULL RELIANT RARE EARTH MINING IS A PUBLIC HEALTH & SAFETY RISK TO OUR LIFE SUSTAINING SOIL HERITAGE & VITAL WATER SOURCES - Copper Contamination.

7. NSW TRANSMISSION NETWORK  
OPERATOR TRANSGRID ARE IRRESPONSIBLE & CANNOT BE TRUSTED WITH ANY RENEWABULL TRANSMISSION PLANS - THEY TELL US TOTAL BALONEY - THAT FOR EVERY DOLLAR THEY SPEND ON TRANSMISSION, ENERGY CONSUMERS WILL BENEFIT BY \$2!!  
THEY TELL OUTHRIGHT LIES - SAYING THEIR POWERLINES ARE NOT A PUBLIC HEALTH & SAFETY RISK!  
THEY ARE CUTTING LOCKS ON PRIVATE PROPERTY GATES.  
USED TOXIC LEAD BASED ASBESTOS PAINT ON THEIR TOWER LEGS & BASES WHICH KILLED CATTLE IN THE RIVERINA - FROM TOXIC LEAD POISONING!  
FAMILIES WERE SUBJECTED TO LEAD POISONING - EATING THIS LEAD LACED BEEF!!  
DEGRADING & DAMAGED INDUSTRIALISED SOLAR ALSO LEACHES LEAD.  
THERE IS NO AMOUNT OF LEAD THAT'S SAFE FOR HUMAN BEINGS!

8.
