Subject: Drone vid YouTube hills of gold windfarm

Hi my name is Fabian Norrie from Nundle live here more than 20 years. the video is on YouTube when [REDACTED] ask me to come up and fly my drone for the Proposed wind farm in 2018 for Hanging Rock as it a 30 km site and we only covered from where No1 turbine was going on Morrison Gap road near Barry Road as I filmed in three different locations. And to the wind tower at the Head of the peel as you can see nundle \ Barry Station \ Ben Halls gap \ Timor \ Crawney NSW. As this video was done late in the afternoon as [REDACTED] & I put the video together that night as [REDACTED] picked the song as I didn't get home till midnight. [REDACTED] paid for a helicopter flight at the highest point 1700m has we took the helicopter to 220m and video around as I didn't put a video together as I was getting a birds eye view I hope this video. Helps you.let me know if you got my email as I hope I was a big help and thank you for letting me have a say. [REDACTED] if need me .
