Subject: Hills of Gold Wind Electricity Generating Works + BESS IPCN Objection Submission - SSD 9679
Date: Monday, 12 February 2024 4:59:17 PM
Attachments: [8608c2da9bc63cfc83f901cc187623e2.png](#)

Dear IPCN Panel,

I absolutely Object to Engie's ruinous HILLS OF GOLD WIND ELECTRICITY GENERATING WORKS + BESS plans for NUNDLE CRAWNEY HANGING ROCK - SSD-9679 - the totally unnecessary, hideous, ECOCIDAL construction and operation of up to 64 TOXIC BISPHENOL A (LETHAL TO YOUNG CHILDREN) SHEDDING TURBINES + 100 MW FILTHY, TOXIC, INCAPABLE BATTERY ENERGY STORAGE SYSTEM, a useless 330 kilovolt transmission line and other associated ancillary infrastructure for PATHETIC, WEATHER DEPENDENT RENEWABULL JUNK that will NEVER EVER POWER AUSTRALIA & IS NOT ONE BIT CLEAN GREEN, SUSTAINABLE, RELIABLE, EFFICIENT, SECURE OR ON DEMAND! There is absolutely NO CONSENT, NO SOCIAL LICENCE for Engie's disastrous ruination of Australia!

Approval of this dodgy pile of fudgery by the NON INDEPENDENT, COMPLICIT, RUBBER STAMPING, TOTALLY FARCICAL IPCN WILL BE A SHAMEFUL & EMBARRASSING MONUMENT TO THIS USELESS ORGANISATION, THAT HAS WELL PROVEN TO BE A COMPLETE SHAM - WITH NO CREDIBILITY WHATSOEVER & TO THE SHEER STUPIDITY & 'CLOUD CUCKOO LAND' ZEALOTRY OF THE BUREAUCRACY'S FAKE GREEN RENEWABULL SOLAR/WIND ENERGY POVERTY GRIFT & PONZI SCHEME/SCAM!

No credible Engineer, Environmental Scientist or Health Professional would EVER approve such senseless, severely detrimental environmental/ecological destruction & extensive Public Health & Safety Risks - for the following reasons:

****Court orders wind farm to be torn down after golden eagle death.**

Wind farm that was subject of lengthy legal battle would reportedly be first in France to be demolished on court order

18 December 2023

By Cosmo Sanderson

A French wind farm that was found to have killed over 1,000 birds, including a golden eagle, will be torn down on court order.

The Nîmes Court of Appeal ruled that the wind farm – based in the town of Lunas in the south of France – must be demolished and the land returned to its original state.

The court found that the turbines had been built on a site they should not have been following a defective impact assessment.

****Households across NSW told to reduce electricity usage tonight as temperatures soar - ABC News**

<https://www.abc.net.au/news/2023-12-14/nsw-heatwave-electricity-usage-power-supply/103228552>

Temperatures are expected to peak at 40 degrees Celsius in parts of Sydney today, which the Australian Energy Market Operator (AEMO) said would cause a spike in electricity demand between 5pm and 9pm this evening.

NSW Energy Minister Penny Sharpe said the government had enacted a Government Energy Action Response Protocol, which involved agencies and major utilities minimising energy use.

The minister also **called for households to defer non-essential electricity consumption.**

"Every small bit of action that we take will make it much easier to make sure that the grid stays on and there's not a problem," Ms Sharpe said.

"The factors today are that it's going to be 40 degrees, we expect high demand, and **AEMO's indicated that the reserves will be under pressure,** and we're doing everything that we can to manage that," Ms Sharpe said.

****Nuclear expert Dr Adi Paterson has slammed the Albanese government's refusal to consider nuclear energy as an option for Australia's power grid.**

“The eastern grid in Australia is already the most complex machine in the Southern Hemisphere,” Dr Paterson told Sky News host Caleb Bond.

“It’s got about 10,000 kilometres of grid.

We’re going to double its size but reduce the number of electrons at each pole and wire carries. THIS IS A RECIPE FOR DISASTER!”

‘Recipe for disaster’: Nuclear expert slams Albanese government’s energy plan
skynews.com.au

AEMO CEO Must Be Sacked For Failing To Ensure Affordable, Secure And Reliable Energy Supply

<https://ipa.org.au/publications-ipa/media-releases/aemo-ceo-must-be-sacked-for-failing-to-ensure-affordable-secure-and-reliable-energy-supply> - Daniel Wild 15th Dec 2023

Australians need affordable and reliable energy, not a regulator advocating for ideologically based outcomes that

will undermine our energy security.”

“The current situation Australia finds itself in with record and rising energy bills, forecast blackouts, and an increasingly unreliable energy grid, are all core features of the policy of net zero emissions. It is all pain for no environmental gain,” said Mr Wild.

Three things are clear about Chris Bowen’s renewable energy policy: many landscapes will never be the same; electricity will become more expensive and less reliable; and none of this will alter the climate!

<https://stopthesethings.com/2023/12/14/theyre-not-in-kansas-anymore-mid-west-bans-industrial-wind-solar-projects/>

****A False Narrative** is being peddled by ‘academics at elite universities and climate activists who are hawking 100% renewable energy schemes.’ The agenda of the ‘big banks, big corporations, and big law firms is to make staggering sums of money from federal tax credits if more wind and solar projects get built’ - at great, unjust cost to the environment & to us - the long suffering, energy deprived, everyday people of Australia!

****There is Universal Hostility to Pointless, Pathetic Power** - ‘the weather and/or sunshine-dependent stuff – **that can’t deliver power on demand – but that guarantees economic misery, environmental destruction and community disruption!**’
This was clearly on display at the Reckless Renewables Rally in Canberra 6th Feb 2024 - with protests growing & intensifying all around Australia - in unison against the Fake Green RenewaBULL Swindle!

****Farmland is meant for Productive Farming Enterprises, not Part-Time Power Generators!***

****SARET Research - Fire and Rescue NSW have NO IDEA How to Deal With RISKY RenewaBULL Experiments - YET This TOXIC MORAL HAZARD is Deliberately Forced on us by the Dodgy, Deceitful DPIE/DPE & Complicit IPCN!**

<https://www.fire.nsw.gov.au/page.php?id=9402>

“There is a general lack of guidance and provisions in building codes, standards, and legislation in relation to safety to address the potential risks from these emerging technologies. Part of the problem is that we do not yet know enough about their probability of failure, their mechanisms of failure and potential consequences of failure.”

<https://www.cfs.sa.gov.au/news-media/media-alerts/wind-turbine-fire-at-redhill-7-february-2024/#:~:text=A%20fire%20has%20destroyed%20a,around%20the%20collapsing%20wind%20turbine.>

****Australian Democracy is rapidly diminishing with vested interests ensuring that the “Core of the Totalitarian State is the Lie!”**

The dodgy NSW DPE & complicit IPCN are peddling AEMO’S RenewaBULL LIE!

The Government needs to stop its exaggerated hysteria & **Stop Equating Climate Change with Climate Danger as the ‘Carbon Cult’ Obsession is Resulting in a Dire, Contaminating, RenewaBULL Transition to Extinction that has Life Threatening Consequences & is NOT FOR THE GREATER GOOD!**

****WIND TURBINES CONTAIN COBALT. “CLEAN COBALT IS A FICTION – THERE IS NO CLEAN COBALT - IT’S ALL MARKETING!”**

<https://www.news.com.au/finance/business/mining/harvard-professor-explains-heartwrenching-source->

[of-electric-vehicle-iphone-batteries/news-story/db881f47c76db89581409c092a740c4c](https://www.abc.net.au/news/2018-08-14/joe-rogan-exposes-sad-truth-about-cobalt-used-in-electric-vehicle-iphone-batteries/50681409c092a740c4c)

Joe Rogan exposes sad truth about cobalt used in electric vehicle, iPhone batteries | [news.com.au](https://www.abc.net.au/news/2018-08-14/joe-rogan-exposes-sad-truth-about-cobalt-used-in-electric-vehicle-iphone-batteries/50681409c092a740c4c) — Australia's leading news site.

Cobalt is in all iPhones, tablets & crucially EV's - it maximises charge & stability.

Before anyone knew what was happening the Chinese Government & Chinese companies took control of almost all of the big mines in the Congo, with the local population displaced & the Congolese people under duress - digging in subhuman, gut wrenching conditions - using all raw human force - clanking the cobalt out of the ground!

Throughout the whole history of slavery, never has there been more suffering that generated more profit than was linked to more lives of people around the world than what is happening today in the Congo - mining cobalt in appalling, heart wrenching & dangerous conditions.'

.....

****WIND TURBINES ARE A FAKE GREEN SCOURGE - SHEDDING TONNES OF MICROPLASTICS FROM WIND TURBINE BLADES (KNOWN AS 'LEADING EDGE EROSION') - AFTER ONLY A FEW YEARS OF OPERATION.**

Mark Twichell spells out the poisonous truth - why Wind Turbines are a dangerous idea.
The Buffalo News October 2022.

"Wind Turbine Blades leave a toxic waste legacy for centuries to come, but there is an even more immediate threat - their blades naturally erode during operation - spreading tonnes of microplastics far & wide.

The epoxy compounds they shed contain toxins that are finding their way into our oceans & drinking water.

The particles eroded from Wind Turbine blades includes epoxy resin which is 40% Bisphenol (BPA) - a frequently banned endocrine disrupter & neurotoxin" - equally as toxic as blue asbestos & lethal to young children.

"Academic research has shown the potential for 137 pounds of epoxy micro particles to be shed per turbine per year.

The resulting annual BPA release can potentially contaminate 17 million gallons of drinking water per turbine while threatening aquatic & terrestrial life.

Minimising the shedding depends on specialised blade coatings that contain toxic ingredients from the PFAS family of 'forever' chemicals which are biologically cumulative & non-degradable.

These coatings likely need replacement after a few years.

PFAS is a common ingredient in lubricants & hydraulic fluids which routinely leak from Wind Turbines."

**18th August 2022 - Dr Eric Blondeel says:-

"That the plastics in the blades are toxic - is without doubt!"

As far back as 2012 the World Health Organisation warned about potential carcinogenic properties of endocrine disrupters & concluded that these substances pose a global threat to public health.

Unborn & young children are especially vulnerable because their hormone system is still developing.

**<https://stopthesethings.com/category/bisphenol-a-wind-turbine-blades/>

**<https://bergensia.com/bisphenol-a-in-wind-turbines-damages-human-fertility/>
(<https://bergensia.com/bisphenol-a-in-wind-turbines-damages-human-fertility/>)

Bisphenol A is a toxic chemical used in the epoxy resins that are used to make turbine blades.

High speed spinning blades 300 KM/H collide with dust particles rain and hail and chip off small particles of the resin coating subjecting our land & waterways including catchment areas of drinking water reservoirs with these toxic - poisonous substances shedding from hundreds of Wind Turbines.

MY FAMILY & I DO NOT CONSENT TO THIS CONTAMINATING, ECOCIDAL, ENERGY POVERTY SWINDLE that's part of the FAKE GREEN SOLAR/WIND GRIFT & PONZI SCHEME/SCAM THAT'S CRUELLY TORTURING EVERYDAY AUSTRALIANS

WITH GOVERNMENT INFLICTED SKYROCKETING ELECTRICITY PRICES = COST OF LIVING CRISIS!

WE NEED TO TAKE A CHAINSAW TO THE EVIL BUREAUCRACY RESPONSIBLE FOR THIS DELUSIONAL, DESTRUCTIVE, ANTI-AUSTRALIAN AGENDA - OFFERING US THE WORLD & PAYING US WITH TRASH!!

1. NEW MODERN SLAVERY CONDITION- requiring proof prior to construction that NO Slave Labour supply chain components be used in construction.

****New Condition Inserted C4A - Dealing With Modern Slavery.**

Commonwealth Modern Slavery Act 2018

*NSW Local Council Act 1993
428 Annual Report
438 ZE Duty to Ensure Goods & Services Are Not Procured From Modern Slavery.

This applies to all NSW Government Bodies - including Councils - for those who Host, Procure or have a Power Purchase Agreement with Solar/Wind Energy Generation/BESS whose construction has used Modern Slavery Supply Chain Sourced Components
eg. City of Sydney, the Opera House, Kiama, Shoalhaven, Shellharbour Councils & Westpac, etc. have an unethical PPA with Spark Infrastructure's Xinjiang Jinko Solar based Bomen Solar - unethically Hosted by Wagga City Council.
REROC has an unethical PPA with Iberdrola - with Xinjiang JA Solar based Avonlie Solar - unethically Hosted by Narrandera Shire.

2. AMENDED STORM WATER MANAGEMENT PLAN CONDITION re-CONTAMINATION – QUALIFIED TESTING/REPORTING, CONTAMINATION RESPONSE PROCEDURE, etc.

****Amended Condition C8.**

Prior to Commencement of Any Works - Storm Water Management Plan.

On Site & Discharge From the Site.

Testing Points & Regular Water Samples, Suitably Qualified Person.

Written Response Procedures if CONTAMINATION is Found - required PRIOR to CONSTRUCTION.

Availability of Results.

Solar farm runoff pollutes property, couple awarded \$135 million - CFACT

<https://www.cfact.org/2023/06/06/solar-farm-runoff-pollutes-property-couple-awarded-135-million/>
By Bonner Cohen, Ph. D. | June 6th, 2023

25th Oct 2023 update ...A federal judge has dramatically reduced a jury's \$135 million award to a Georgia couple (<https://www.ajc.com/news/couple-awarded-135m-after-solar-project-turns-their-lake-to-mud-hole/BZ6BYXQREJCDROQV6ZASUW5WOI/>) whose property was fouled by muddy runoff from a solar project next door down to \$5 million, after objections from the plaintiffs in the case.

In an order issued Monday in the Middle District of Georgia, Judge Clay D. Land wrote that the punitive damages awarded to the couple were worth many magnitudes more than the property that was damaged, and therefore were excessive.

Subject: Hills of Gold Wind + BESS IPCN Objection - REFERENCE
Date: Monday, 12 February 2024 5:06:57 PM

Dear IPCN Panel,

I OBJECT to all Industrialised Wind Electricity Generating Works + BESS & Associated Transmission Line Infrastructure - including ENGIE'S REPULSIVE HILLS OF GOLD WIND DUMP - as it is an unconscionable waste of public funds for the most illogical & harmful Fake Green, RenewaBULL, imaginary power delusion that could ever be orchestrated & forced on the Australian public against their will & for no benefit whatsoever!

These obnoxious, intrusive, anti-Australian plans have no environmental or public benefits whatsoever & have neglected to accurately address all of the following:-

****Food Security + Australian Energy Security = National Security**

****Australian Independent Energy = Coal, Gas & a clean, safe, Nuclear SMR Power future.**

****Which companies involved & all of their Solar/Wind/BESS connections are subject to the CCP's National Intelligence Law?**

****Public Health & Safety Risks - Electrical Force/Electromagnetic Radiation, Soil/Food/Water Contamination, Energy Deprivation.**

****Proper Research Needed - No Scientific Rigour.**

**** Engineering Facts Have Been Ignored.**

****Connecting Subsidised, Mandated Weather Dependent - Intermittent Solar/Wind to the Grid is the Worst Policy Failure in History.**

****Fake Green - Not Clean & Green or Sustainable at all - as the Full Lifecycle of Solar/Wind/BESS has to be accounted for.**

At least 1,000% more Mining + intensive energy & toxic pollution during processing.

****Power Sources Needed in major City areas instead - avoiding long distance transmission loss, ruination of rural Australia & harming Agricultural productivity.**

****Unconscionable scale of Industrialised Solar/Wind land mass required.**

Michael Shellenberger says it's approx 300-800 times more land required for Solar/Wind than for far superior conventional power generation.

****Massive Toxic Waste Burden being intentionally created for future generations that will NEVER be economically viable to recycle - if ever even possible.**

****Energy Security risks from inferior, unreliable, weather dependent, Dunkelflaute based Solar/Wind which will NEVER be base-load power available on demand.**

****Economic Suicide - Skyrocketing Energy Prices = Cost of Living Crisis. The more Mandated, Subsidised Solar & Wind in the system = the Higher the Prices.**

****National Security Risks - we need to rely on our own AUSTRALIAN Energy Sources rather than our Most Hostile Enemy - the CCP.**

****Fake Green Wokeness = Weakness**

****Unethical Slave Labour Supply Chain Reliance - Solar's cruelly tortured Xinjiang Uyghurs & Cobalt for Wind Turbines + Batteries reliant on shocking treatment of the Congolese - with Child Labour - children as young as 6 years old forced to mine toxic cobalt in the Congo with their bare hands!**

****No Social Licence - Failed Planning, Consultation & Assessment/Approval process by the Government, Dodgy Developers, politicised AEMO & self benefiting Electricity Networks.**

****Immediate Moratorium & Independent Federal Inquiry Needed.**

I DO NOT CONSENT TO MY FAMILY OR MYSELF BEING DETRIMENTALLY HARMED IN ANY WAY BY WIND/SOLAR//BESS/ASSOCIATED TRANSMISSION LINE INFRASTRUCTURE OR ANY HARMFUL INDUSTRIALISED FAKE GREEN HYDROGEN, COMPRESSED AIR, PUMPED HYDRO RENEWABULL NIGHTMARE PLAN IN NSW/AUSTRALIA - including but not limited to:-

****Public Health & Safety Risks - Personal Discomfort & Health Impacts from**

Electrical Force - EMR & Deprivation or Contamination of Life Sustaining Food Resource Land, Food Supplies & Water Supplies.

****Unplanned for, Not Even Researched & Not Appropriately Assessed, Toxic Carcinogenic & Teratogenic Fire/Smoke Hazard Risks.**

****Energy Deprivation - Lack of Reliable, Affordable Electricity - Resulting from Inferior, Unreliable Solar/Wind Generation causing Austerity, Suffering, ill Health & Loss of Basic Services.**

****Consequential Skyrocketing Electricity Prices - Causing Energy Poverty, Cost of Living Crisis, Hardship & Potential Death from Hyperthermia.**

****Unjust Mistreatment of Landholders & Rural Communities Forced to Endure Such Detrimental Plans - Causing Extreme Distress, Anxiety, Depression, Grief, Family/Social Fracturing & Loss.**

****Deprivation of Rural Outlook & Quality of Life - With Unhealthy, Distressing Noise, Infrasound & Visual Pollution.**

****Emotional Distress, Suffering & Hardship Caused by Government Inflicted Skyrocketing Energy/Cost of Living Crisis.**

****Detrimental Consequences of increased SF6 emissions.**

****Increased Economic Hardship due to Failure of Councils to do their Due Diligence, to Address Compliance, to be Transparent & to be Honest, to Address the Facts & Community Concerns, ie. Additional Council Charges for Flawed Assessments & Wrong Approvals - Leading to Unplanned for Clean up & Remediation Costs for Abandoned, Derelict, Contaminating Solar/Wind EG Works & BESS.**

****Any Detrimental Cost Implications for Ratepayers from the Council's & any Government Body's Persistence in Ignoring Their Duties Regarding the Unethical Hosting, Procurement & Power Purchase Agreements With Energy Generation Reliant on Unethical Slave Labour Supply Chains.**

****Loss of Productivity & Income Due to Contamination, Increased Fire Risk & Heat Island Impacts from Solar/Wind EG Works & BESS.**

****Any Cyber Security Breaches or National Security Threats & Harm Caused.**

****Any Costs Incurred for Ratepayers & Taxpayers by Dealing With the Obvious, Economic Suicide - the Financial Consequences for the Future of Making Seriously Retrograde Decisions by Hosting & Approving Such Harmful Solar/Wind EG Works, BESS & Associated Unnecessary Transmission Infrastructure.**

AUSTRALIANS DESERVE FAR SUPERIOR, RELIABLE, EFFICIENT, SECURE AUSTRALIAN COAL, GAS & A CLEAN, SAFE NUCLEAR POWER FUTURE NOT THIS INDUSTRIALISED, TOXIC WIND FACTORY + BESS MORAL HAZARD RISK PLAN FOR BEAUTIFUL NUNDLE!

From

Lynette LaBlack
