# Enjoy a break at Nundle

A charming village of 300 people in the beautiful Hills of Gold,  
50km south-east of Tamworth, Peel Valley, NSW.

Relax in the peaceful environment, surrounded by grazing country, State Forest and bushland.

Explore Nundle's boutique businesses, enjoy local produce, country cooking and hospitality, and be comfortable at accommodation ranging from B&B, hotel, motel, self-contained cottages and cabins, and bunk houses, to camping.

The Peel River, nearby Chaffey Dam, and Sheba Dams, Hanging Rock are popular for cooling down, gold panning, fishing, water sports, and bushwalking.

## Visual Independent Expert Review

**‘The resultant change of character to a combination of Natural Appearing and Wind Energy Character is significant. The proposed change will be critical to the ongoing community perception of the value of the surrounding landscape. The effect of this significant change of character should be carefully considered in the evaluation of the overall project suitability and determination of Development Consent.’**
