Subject: Hills Of Gold Wind Project

Hi,

I make this submission to confirm I'm against this project - especially the new ruling allowing the turbines that were removed, to potentially be reinstated on the proposal!

The DPHI states that it does not want this case to be a precedent, but if Hills of Gold Wind Farm is approved by the IPC it will be!

I feel this will set a precedent for Voluntary Land Acquisition to be imposed on non-associated neighbours for all projects.

I vehemently disagree with this project.

Kind Regards
