Do not ignore our inalienable rights, which include ~moral interests, litigation experts are covering many cases currently from coercive actions that have caused many to live under duress, from covid vaccination mandates which have resulted in many injuries to trespass on property , mind and spirit.

2.4 million people attended Canberra to stand against anyone coercing, intimidating or ignoring individual inalienable rights.

Canberra set a precedent and WILL continue anywhere the people are needed ,until WE the people are heard.
