We, the undersigned, will be the host landowners of the proposed Spicers Creek Wind Farm . Consultation on the design and the impacts of the project began in September 2019, and has been ongoing since that time. Through negotiated agreements with Spicers Creek Wind Farm Pty Ltd, we accept the impacts of the development as submitted, and are in support of the development application.

The project will provide financial and other benefits to the community through initiatives such as:

- â€¢ Upgrades to local roads and intersections in the vicinity of the project*
- â€¢ Jobs and economic benefits to the local and regional economies*
- â€¢ Council Planning Agreements*
- â€¢ Sponsorships*
- â€¢ Community and Employment Benefit Program (funded by access fees paid to EnergyCo)*
- â€¢ An increase in business opportunities and training in the region*
- â€¢ Better options for connectivity through Squadronlink*
- â€¢ Community investment opportunities*

Importantly, once operating, this 700 MW wind energy project will make a significant contribution to achieving the NSW and Federal Governmentsâ€™ renewable energy targets.

To the NSW Independent Planning Commission,
