**Topic 1. Sustainability of current and future forestry operations in NSW**

It is unsustainable to support to the tune of million of \$ the Forestry corporation

---

**Topic 2. Environmental and cultural values of forests, including threatened species and Aboriginal cultural heritage values**

Trees clean the air on earth ,they provide habitat for animals we have many threatened species in NSW .

---

**Topic 3. Demand for timber products, particularly as relates to NSW housing, construction, mining, transport and retail**

We have a viable plantation timber industry that already provide about 80% of our building needs

---

**Topic 4. The future of softwood and hardwood plantations and the continuation of Private Native Forestry in helping meet timber supply needs**

Yes plantation timber is the way !!!!
