Topic 1. Sustainability of current and future forestry operations in NSW

Please stop logging of our pristine forests. Plant more native plants

Topic 2. Environmental and cultural values of forests, including threatened species and Aboriginal cultural heritage values

conserve native species and our natural flora and fauna

Topic 3. Demand for timber products, particularly as relates to NSW housing, construction, mining, transport and retail

promote timber plantations in all waste lands/urban lands to support the needs of housing rather than killing our pristine forests

Topic 4. The future of softwood and hardwood plantations and the continuation of Private Native Forestry in helping meet timber supply needs

promote programs for sapling plantations in waste lands/urban areas.
