Location: <i>New South Wales 2579</i>	
Attachment: N/A	

Submission date: 11/1/2024 9:52:54 PM

The proposed location is not the right site for the facility. Not only is there neighbouring houses with young families, the location is within a residential area where traffic will be greatly impacted, and the health and wellbeing of all near and far

Somewhere just off the highway, away from any houses would be more ideal as health won't be compromised and easier access for the traffic
