*I object this development for many reasons:*

- 1. This site is too close to residents.*
  - 2. The impacts from the operation will be detrimental to the environment and to the health of people living in Moss Vale and the broader Southern Highlands community. I have family who work in Moss Vale and will be impacted.*
  - 3. This is not the right site and an alternative should be considered. The Department can source another site, it isn't that difficult and the code of conduct should guide the Department to communicate this to the operator.*
