Location: <i>Redacted</i>	
Attachment: N/A	

Submission date: 11/3/2024 4:36:21 PM

*I object to this area being used as a dumping ground for Sydney's waste. It will devastate, damage and destroy the landscape of our region. It will pollute our total environment. The waste, processing, transporting of waste, pollution . Put it in the dessert. Better still fix it at source.*
