To whom it may concern I strongly object to the proposed recycling plant. 1: the [REDACTED] proposing to run the plant has an extremely bad track record [REDACTED] for pollution

2: this is a residential area surrounded by some of the most fertile agricultural land in the state

3: what's going to happen to our pristine waterway's

4: our wildlife will be greatly impacted

5: the Highlands is a very large tourist area because of the beauty and pristine nature of the area this will destroy that.
