Location: <i>New South Wales 2460</i>	
Attachment: N/A	

Submission date: 11/5/2024 6:32:34 PM

*Anyone who contributes to the recycling campaign, especially when plastics are involved should be commended.*

*Unfortunately, why did you have to find a site in the southern highlands?*

*There are so many other more remote and less impactful acres you can choose which will cause less heartache for the local residents.*

*For some reason this site has been chosen, maybe the local councillors have benefited from this unnecessary approval!*

*Come on, your councillors are supposed to represent the community?*
