*This is a small country town with agricultural fields around the town. Only 8km away is the town of Bowral, a very popular tourist town in the heart of the Southern Highlands and 7km in a NW direction is the tiny town of Berrima. Berrima is a historic township and again a tourist haven, housing the goal built in 1836.*

*What impacts is the factory going to have on these towns and communities?*

*This is NOT the right location for a plastics factory.*

*Pollution upon our mainly rural and tourist towns is not wanted.*
