Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 11/19/2024 12:16:14 PM

*Nothing is more important and sacred than the quality of a public water source. Not only will this damage native wildlife, it is absurd that such a project could be considered. This will risk the health of everyday people and should not proceed under any circumstances. People always have to come before profit.*
