Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 11/16/2024 12:01:06 PM

We do not want this development to go ahead. The impacts it will have on the environment, air, water and land pollution with microplastics and chemicals will have an unproven impact on the health of the people and animals in our shire.

It will also have a detrimental impact on the value of real estate in the shire.

We do not want it.
