*Main concern is the impact on the environment, including air pollution, noise pollution and the impact to native flora and fauna in the direct impacted area and surrounds.*

*The amount of trucks entering and exiting Moss Vale is a safety and a health concern. Our roads can not handle the present amount of traffic.*

*Moss Vale population is increasing with the new estates surrounding the township. Lets keep this area free from plastic pollutions and other dangerous toxins and give our community the clean air they and all people deserve.*

*No to Plasrefine.*
