Submission ID: 214957

Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses)</i>
Location: <i>New South Wales 2575</i>	
Attachment: N/A	

Submission date: 11/17/2024 12:00:10 PM

*This project should not be constructed in an area that is free of industrial processing plants. The region is clean and unaffected. It should also not be anywhere near waterways that feed into our drinking supply. The project should be built somewhere that is already industrialised and capable of providing the required infrastructure and resources.*
