Submission ID: 215087

Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic</i>
Location: Redacted	
Attachment: N/A	

Submission date: 11/17/2024 7:10:00 PM

*The proposed site is very close to my home and even closer to my children's daycare. We didn't move to a country area to be breathing in toxic fumes and experiencing more traffic which is already challenging. This isn't the right site for this development. Please find somewhere else and leave our town.*
