This is absolutely DISGUSTING the thought of a horrendous 4 story high building in our beautiful country town is pathetic! Not to mention the traffic, the toxic plastic will be in our air and contaminate the Sydney water supply! How stupid can our government be to even let this possibly go ahead! And what a pathetic useless excuse for you to even have the audacity to say 'spend less time outdoors'! What a [REDACTED] joke! Expect people to live their lives indoors with their children.
