Location: <i>New South Wales 2577</i>	
Attachment: N/A	

Submission date: 11/20/2024 3:13:09 PM

*To have this facility placed in the Southern Highlands and then to solve any potential health hazard for local residents to just say "limit your times outdoors" is just ludicrous.*

*The facility should be relocated further west and further away from residential living.*

*The future traffic in the area will be too much for the current infrastructure.*
