Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2575</i>	
Attachment: N/A	

Submission date: 11/20/2024 3:39:15 PM

*I strongly support the local community with all the mentioned objections . Beautiful clean air and water are basic foundations of a healthy environment to produce food and raise the next generation . People choose to live in these areas for those very reasons . Don't allow one more area be ruined for greed*
