I am a 13 year old girl. I live in Moss Vale and I love Moss Vale because of the incredible views, peaceful environment, clean air, great community, and low fire risk. Some days I walk home from school, I can do this because of the low traffic in Moss Vale. One of my favourite things to do is play outside in my backyard on my monkey bars and on my scooter. If Plasrefine goes ahead, I will not be able to enjoy any of these things anymore. I love my life and I don't want it to be ruined because of Plasrefine. I believe that Plasrefine is a very good idea but not in Moss Vale! #nottherightsite Please don't make Plasrefine go ahead!!!
