*Dear Plasrefine people, it has come to my attention that recently you have wanted to build Plasrefine. As you must know, many people are not as interested as you are in this idea and that includes me. I believe that it is bad because there are so many houses around here and Plasrefine would definitely affect our daily lives. Walks around here are fun and I would like to keep doing them but because of Plasrefine there would be lots of trucks in the way. Sometimes we like to ride our bikes around the street and it wouldn't be as safe to do that anymore because of the trucks. I know that kids opinions are not very useful because we're just young but I really think that it is not the right site here in Moss Vale.*

*Kind Regards*
