Location: <i>New South Wales 2567</i>	
Attachment: N/A	

Submission date: 11/15/2024 9:35:26 AM

*I am concerned greatly how people & companies from other counties do not care how they are impacting our communities & environment & not to say how this will also poison our water as we have seen in the past from these companies , shame on you as the southern highlands is one that should be kept free from your so called progress as it's all about money today instead of what's right for us Australians. Your selling our country out at the cost of our health .*
