Location: New South Wales 2576	
Attachment: N/A	

Submission date: 10/24/2024 8:40:42 AM

I object to the Plastics Recycling Facility being located at Moss Vale because of the danger of pollution, both of the air and in our waterways. I also object to the number of trucks carrying the plastics that will be on the local roads. Surely a location far away from an already established community can be found for such a facility.
