Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: New South Wales 2577	
Attachment: N/A	

Submission date: 10/24/2024 2:36:23 PM

This is totally the wrong site for this proposed development. The roads used to access the site - even if only through the construction stages - were not designed for this type of traffic. The trucks and other vehicles that will be using these roads pose significant danger to the residents, in particular the children who attend schools and daycares in their paths. This is a poorly thought out plan and should be relocated.
