Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2577</i>	
Attachment: N/A	

Submission date: 10/24/2024 1:59:32 PM

The proposed location for this facility will have huge impacts on local traffic routes. The pollution it will generate to nearby childcare centers, waterways, farms and housing is not acceptable. Profits will not benefit the local community being owned by an overseas company with a terrible track record for compliance.

This is a huge concern for locals and surrounding areas. Please reject this proposal and protect our people and environment.
