*This overseas \*\*\*\* Co have been involved with serious Environmental breaches in their past history. The Plasrefine site is not compatible with the neighbourhood due to schools, and residents being so close and significant traffic concerns. The area of the Southern Highlands exists because of its beauty, and flourishes and encourages an ethos of living and enjoying a wonderful fresh, pristine, country area, which will be devastated by this being approved. Please, please don't let a ruthless, uncaring, money grabbing overseas company spoil our slice of paradise.*
