Location: <i>New South Wales 2576</i>	
Attachment: N/A	

Submission date: 10/24/2024 1:27:24 PM

I could not feel more strongly about this! This recycling plant must NOT be approved. I am terrified of the affects this will have on the health of our waterways and environment. As a mother I am terrified of the affect this will have on the health of my children - cancer causing chemicals, forever chemicals, ingestion and inhalation of micro plastics.

A plant like this needs to be well away from populated areas.

Please , please just don't!
