Organisation: N/A	Key issues: <i>Land use compatibility (surrounding land uses), Traffic</i>
Location: <i>New South Wales 2577</i>	
Attachment: N/A	

Submission date: 11/25/2024 11:19:12 AM

*As a long term resident of the Southern Highlands who appreciates its beauty and quiet I object to the location of the plant.*

*There are appropriate industrial areas located closer to the highway to avoid huge trucks intruding into quiet residential areas.*

*Why can't rail infrastructure be considered.*

*The impact on the local roads will be significant and will impact on local ratepayers in their repair and upkeep.*

*I support recycling but a more considered location needs to be considered.*
