Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic</i>
Location: <i>New South Wales 2575</i>	
Attachment: N/A	

Submission date: 11/24/2024 10:18:14 AM

*I value fresh clean water for myself, family, friends and the community now and for the future. I understand why you chose this area and we need to recycle of course but this is not the right place at all. I travel those roads many times a day for my job, they will not hold up with the constant stream of trucks as they are bad enough as it is. Find another area away from our water supply Please!*
